Subsidy Scheme are only eight for the whole Presidency. Their jurisdiction is therefore much larger than that of the normal Deputy Collectors or even that of the Special Assistants for rent reduction. Their duties are of an urgent nature involving inspections in remote and interior villages in two or three districts. The Board considers that their duties are arduous and are such as to justify the grant of a special pay. It accordingly recommends that the Government may be pleased to sanction the grant of special pay of Rs.50/- per mensem for the Special Deputy Collectors for wells from the date of their assumption of these duties.
